**15<sup>TH</sup>  
FEBRUARY**

**10:30 AM**

**Disability  
Advocacy Service  
Office -  
4 / 54 Reg Harris  
Lane, Alice Springs**

*This is an inaugural get together to assess the needs of Centralians with vision impairment. This could include information about access to services and resources, identifying common needs and how they might be addressed. In future meetings there could be guest speakers, knowledge sharing and general support.*

*We would appreciate hearing from anyone prepared to volunteer their time to assist with transport*

***Supported by Disability Advocacy Service***

***Please call Carol on 89523362 for further information  
or DAS office on 89531422***
